Showcases LLC stands out as a leading manufacturer of ATA travel cases for musical instruments, lighting, and electronics. Catering to both national bands, corporate accounts, and major touring companies we specialize in creating robust cases that protect your equipment and livelihood.

At Showcases LLC, our wealth of experience is evident. Our adept engineers design reusable shipping and carrying cases that adhere to ATA Spec 300 Category 1 standards. With over 30 years of combined expertise, we are a genuine "custom house." Whether you envision a safe in your workbox or your logo engraved on cases, we turn your ideas into reality.

Our in-house metal fabricating capabilities set us apart. Showcases LLC is the preferred choice for traveling professionals, offering durable products customized to your needs and prioritizing your success. Get a road case that not only looks great but also works as hard as you do, every time.

Make Showcases LLC your one-stop case shop.
